LOC Minneapolis, MN

// PROFILE

Multi-disciplinary creative, **19 years**, turning complex product stories into **visual systems that scale** across digital, print, motion, and 3D — now integrating generative AI and agent workflows into daily production.

01 EXPERIENCE

A Multimedia / Graphic Design Specialist

LEGRAND AV · MINNETONKA MN · **2022 — PRESENT**

Owns creative execution for launches from brief to vendor handoff across **10+ brands** — visual direction, scalable toolkits, and delivery across digital, print, motion, and event. Built internal tools **Newsletter Builder** and **Jukebox** with UI/UX workflows; produced booth graphics for InfoComm and APAC.

B Graphic Designer / Digital Marketing Coord.

TT ELECTRONICS · MINNEAPOLIS MN · **2018 — 2021**

Created advertising across catalogs, packaging, and social to grow brand awareness. Conceptualized logos, animation, video, and web campaigns; produced broadcast-ready edits differentiating product lines.

C Webmaster / Multimedia Specialist

PRECISION, INC. · MINNEAPOLIS MN · **2007 — 2018**

Designed spec sheets, newsletters, video, and marketing literature; managed the corporate website and digital brand presence across web properties.

02 WORK

Jukebox Platform

UI/UX redesign + video analytics for the internal product-marketing platform.

Newsletter Builder

Self-serve app for non-designers; cut design ticket volume.

AI Creative Workflow

Evaluated gen-AI tools; authored prompt libraries for team adoption.

DSEI London

5-panel booth, touchscreen app, and print insert.

03 STACK

DESIGN & MOTION

Photoshop, Illustrator, InDesign, After Effects, Premiere, Figma, Blender

AI & EMERGING

Prompt engineering, generative AI, agent workflows, HTML/CSS/JS

PLATFORMS

Sitecore, SharePoint, Power Automate, Azure Blob, Cloudinary, BrightSign

04 EDUCATION

Multimedia — Digital Design & 3D Animation

Rasmussen University · 2010
